EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Douglas Hanscom on 11/23/07.

In the specification, in lines 2-3 of paragraph [002], "in accordance with the preambles of claims 1, 18, 21 or 22" has been deleted.

The above changes have been made to remove improper reference to the claims in the specification. Mr. Hanscom noted that these changes were made in the marked up copy of the substitute specification, but did not carry over to the non-marked up copy of the specification.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel J. Colilla whose telephone number is 571-272-2157. The examiner can normally be reached on M-F 7:30-5:00.
